One of the remarkable digital players out there

- The **craftmanship is superb** and the unit is assembled with **hair-line precision**.
- The Musical Fidelity is a **joy to listen to**.
- Is a **very detailed performer**.
- The sound is **accurate, open and articulate**.
- The sound has a **very lively punch**, the kind of punchy energy that we love so much at **live gigs**.
- This impression is accentuated by the **excellent bass**.
- The M6scd was all about **rhythm and thrilling drive**, and I felt like dancing, not sitting down, while listening to it.
- With the Musical Fidelity M6scd the **sound was released** from the speakers **lightning fast**.
- I could hear **every nuance** of the sound **very clearly**.
- I don't think I've ever heard so much **unrelenting energy and animalistic detail** flowing through any digital source.
- A full-fledged CD player that **floods the room with energy**.
