"I can totally lose myself in the music, and with that alone the A1 has won"

- It shows that Germany can make really good products at more than attractive prices too. Like the A1.

"I lite" Germany, 04.2022

by: Jonas Bednarz

"leaves nothing to be desired in the price range"

- Pro-Ject has thus **excellently succeeded** in the debut of its automatic turntable, and especially young vinyl enthusiasts will find the Automat A1 an inexpensive introduction to record playback.

"HIFI Statement" Germany, 04.2022

by: CARSTEN BUSSLER

"It doesn't get more comfortable"

- If you're looking for a **simple, convenient, fully automatic turntable** for your old vinyl collection on a **limited budget** and don't want to waste any thought on complicated adjustments, Pro-Ject has what you're looking for with the A1.

"LowBeats" Germany, 10.2022

by: Andreas Günther

"You can't get good vinyl sound any cheaper, better, or more stress-free"

- Pro-Ject **hits the mark** with the A1. Simply out of the box, onto the sideboard, and press play. **Fabulous result**.
